

Note of Thanks

We would first like to extend our gratitude and appreciation to Nehna Singh and Mike Hagemann for their guidance and encouragement as the new editorial board has taken over. We hope to continue their excellent work and grow the journal.

We thank all contributors, reviewers and guest editors for their time and effort. We extend a special thanks to the Dean of the Arts Faculty, Prof. Duncan Brown for his financial backing and support. Thank you to Dr Fiona Moolla and Prof. Kobus Moolman for their ongoing support and input which has enabled WritingThreeSixty to continue to grow in new directions.

And finally, we would like to thank Prof. Patricia Hayes and Prof. Miki Flockemann for supporting us with the creative pieces for this issue.

The 2017/18 Editorial Board.
