

Clay Jar

We are merely clay jars
easily broken
and covered with scars.

It is His hands that shaped me,
so that I can one day be,
a spiritual matured vessel
useful for Thee.

As the Potter is working with the clay,
God is constantly reminding us
to focus on His way.

The contents of a clay jar
is designed to be poured out,
indication to be open,
this is without a doubt.

Because inside,
we are entrusted with a treasure
something we cannot even measure.
This treasure should not be kept inside
because this is not why Jesus died.
We are to share the Gospel
just as Paul, the Apostle.

Even though we do not
deserve to carry it,
It came as a result
Of something Jesus did!
